About Elite Holdings Group

Our goal is to be your one and ONLY custom lighting resource. As a USA based Design & Manufacturing Company, we have long standing relations with our suppliers and have the ability and experience to import product when required. Our capabilities to customize vary from modifying existing systems with new specifications to designing and creating entirely new lighting systems. Our custom services include the ability to create unique finishes to match desired color palettes, case goods and fabrics. Our pro-active team keeps our clients informed every step of the way, staying within budget and producing product on-time. Our many repeat customers continuously attest to our five-star performance.

From Concept to Delivery... ...Simple, Quick & Easy

Our manufacturing process is complete in four easy steps:

- Provide us with your fixture specifications or design
- We'll review and insure compliance with all applicable standards for your project
- We'll produce finished samples for your review, modification and approval
- We'll manufacture & deliver according to your schedule

No matter what your challenge is, we can produce ANY type of lighting fixture for both indoor and outdoor structures.
